Our Values

Simplicity

Easy to use, install and manage. We take the complexity out of VOIP.

Affordability

3CX costs up to 80% less than comparable providers with no per extension charges.

Flexibility

The power is in your hands. Choose your own trunks, devices & more.

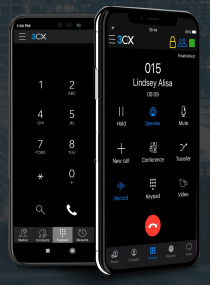
The 3CX Solution

3CX is a complete unified communications solution that can be deployed on Windows, Linux or in the Cloud.

Telephony

WebMeeting

Mobile



Chat

A Unique Approach

Unlimited Extensions

Open Platform
